CHAPTER-01

EXECUTIVE SUMMARY

INTRODUCTION:-

The Internship is a part of taking training in a particular field of study in order to collect knowledge, work experience and satisfy requirements as an intern. In this internship I get trained by an expert for a particular profile of works.

TIME PERIOD:-

The time period of this summer internship will be a period of 15 days i.e., half a month from 16.07.2022 to 31.08.2022. I worked as an intern minimum 3 to 5 hours per day ($15 \times 5 = 75$). So, this internship has been completed for total 75 hours as to meet company's requirements.

WORK ASSIGNMENTS:-

At “**Vecare consumer science**” I offered as an intern at a position of “**trainee**” at the accounts department.

In this regard, I had done some of the work assignments like verifying purchase and sales brochures and receipts, observing the work environment, and checking sales, purchase, cash and bank accounts on Tally.

Here, some of the work assignments which I worked and that are listed below

1. **OBSERVING BROCHURES AND RECEIPTS**
2. **OBSERVING THE WORK ENVIRONMENT**
3. **VERIFYING ACCOUNTS ON TALLY**

FINDINGS, SUGGESTIONS & CONCLUSIONS

FINDINGS:

- It is found the “ **VECARE CONSUMER SCIENCE** ” is a home appliances company. It installs, performs maintenance work, and repairs home appliances and electrical appliances.
- It is found that the company has more good work culture to the employees.
- The company offers many types of services and products this is also a very good feature of the company and this makes the work place good for both employees and customers and this makes the customer and employees both stay loyal to the company as long as they work for the company.
- It is found that the company provides a good training program for the successfully selected employees
- It's found that the company has a branch in Chennai, Virugambakkam.
- This is a great company.

SUGGESTIONS:

I would like to suggest that similar training at big companies/MNCs can be organised by the college which will be a good experience for the BBA students. It is a good experience for me.

Conclusion:

- I hereby conclude that “vecare consumer science” has a good work environment and work culture. And since this organisation works on home appliances and electronic appliances products and services and as I worked as an accounts department trainee intern I learned many things regarding the sales account, purchases account, cash account and bank account. I have learned about many new things which could be useful for the carrier after my college . The company was a good place to work and learn new things. The company has an excellent review based for the employee this is based on the salary or their experience of the work pressure this company would be a very good place to work. Therefore during my work period I learnt about cash account, purchases account, sales account and bank account. I learnt a few things about Tally and excel. I also learnt about the office work environment.
